1. E-mail from Registration Desk

You will receive an email from the registration desk **on October 14th (JST)** with the information of URL, ID and PIN to login to the online portal.

Login to the website

Please enter your ID and PW which was sent to you via e-mail.

- ① Please click "INFO" button on the top right hand corner of the page for a detailed instruction, including trouble shooting.
- ② Please click "Join" button when the session starts. (Simultaneous interpretation function available)
- ③ You can check the session information by clicking "Session" button.
- ④ Please contact "Help Desk" button on the top right for any troubles during the session.

The screenshot displays the GGX Finance Summit viewing site interface. At the top, there is a navigation bar with the GGX Finance Summit logo and several utility buttons: "HELP DESK (CHAT ONLY)", "DND", "EXPORT / エクスポート", "INFO", and "TT". A green callout box labeled "④ Help Desk" points to the "HELP DESK (CHAT ONLY)" button. Below the navigation bar, a central area shows a countdown timer: "The next activity Starts in 34m". To the right, a green callout box labeled "① INFO" points to the "INFO" button in the top right corner. The main content area features a calendar view for "OCT 14" and "OCT 15". Under "OCT 14", there are three session entries: "Opening Remarks" (10:00am - 10:20am), "Break 1" (10:20am - 10:25am), and "Session 1: Industrial Decarbonization" (10:25am - 11:25pm). A red dashed box highlights the "Opening Remarks" entry, and a green callout box labeled "② Join" points to the "Join / 参加" button within this entry. To the right of the main content, a sidebar menu is visible with a green callout box labeled "③ Session" pointing to the "Session" button. The sidebar menu includes sections for "Language & Info / 同時通訳 & 概要", "Program / プログラム", and "Interpretation / 同時通訳". A pink box highlights the "Simultaneous Interpretation" link under the "Interpretation" section. At the bottom right, there is a "OnAIR" logo and a note: "※Simultaneous interpretation system will open in a new tab. Please play the interpretation in background and watch the streaming on this page. The audio".

- ① You can check the session information which you have viewed on the timeline even after attending the session.
- ② You can take notes in the "Notes" field. You can also download the Notes from "Export".
- ③ You can download the speaker's information and the presentation materials from "Presentation Materials".
- ④ Please click "Back to Timeline" when the session ends and go to the next session.

The screenshot shows the GGX Finance Summit viewing site interface. A large central area is labeled "Live Streaming". The top navigation bar includes a "< BACK TO TIMELINE/タイムラインに戻る" button (callout ④), the GGX Finance Summit logo, and utility icons for HELP DESK (CHAT ONLY), DND, EXPORT/エクスポート, INFO, and FK. The main content area features a session card for "Opening Remarks" (10:00am - 10:20am) and a countdown timer for the next activity (34m). A notification states "No further events today / 本日予定しているイベントはありません". A sidebar menu on the right contains three items: "Language & Info / 同時通訳 & 概要" (callout ①), "My Session Notes / メモ" (callout ②), and "Handouts / 配布資料" (callout ③). The bottom right corner displays the "OnAIR EventsAIR" logo.

Each session will be streamed live with original audio. Please follow the steps below to use English / Japanese Simultaneous interpretation function.

- ① Mute the original audio of the live streaming video.
 - ② Open the panel "Language&Info/同時通訳&概要". Simultaneous interpretation function will be displayed.
 - ③ Click the "Simultaneous Interpretation System" button. Simultaneous interpretation system will open in a new tab.
- ⇒Continue to the next page

The screenshot shows the GGX Finance Summit live streaming interface. The main video player displays "Live Streaming" and "Original Audio Video". The right sidebar contains a "Language & Info / 同時通訳 & 概要" panel. The "Simultaneous Interpretation 同時通訳システム" button is highlighted with a red dashed box. A red arrow points to the mute icon in the video player controls, and another red arrow points to the "Simultaneous Interpretation" button. A green callout box at the bottom left contains the instruction: "① Mute the original audio for using simultaneous interpretation function." A green callout box at the top right contains the instruction: "② click 'v' to Open 'Language&Info/同時通訳&概要' Panel." A green callout box on the right side contains the instruction: "③ Click the 'Simultaneous Interpretation System' button. Simultaneous interpretation system will open in a new tab." The interface also shows a "Program / プログラム" section with "Opening Remarks / 開会挨拶" and "Speakers / 登壇者" section with "Speaker" KOBORI Hideki.
